S300
Integrated Retail PIN Pad

PAX's S300 is the latest integrated retail payment solution for retail merchants who wish to offer high levels of transactional security combined with contactless, e-signature, magnetic stripe and Chip & PIN. With state of the art levels of security design, including PCI PTS 4.x and SRED, the S300 protects and encrypts all transaction information. Featuring a large color touchscreen and loudspeaker, the S300 comes with a 32-bit ARM11 processor and massive amounts of memory.
